

Ag Education 'New Comer' Professional Development Scholarship

Name: _____

Cell Phone: _____

Home Address: _____

E-mail: _____

School: _____ MAAE Region : _____

School Address: _____

Instructors are eligible to apply prior to or following their first full year of teaching. Maximum of one scholarship per instructor.

Please indicate the scholarship option you are applying for:

- Annual MAAE Membership Fees
- Summer Conference Registration
- Ag Tech Conference Registration

Why do you want to attend this Professional Development Event?

Are there any special circumstances which the committee should be aware of regarding your need for funds to attend this event?

Comments regarding the school districts financial/professional development restraints:

I understand the money may only be used to attend MAAE conferences and that I must partake in the conference sessions/workshops. Failure to do so may result in not receiving the money. I have consulted with my school district / educational institution and professional development funds are NOT available to cover this request.
